**RE: REQUEST TO EXCUTE ETEC PILOT PROJECT ON BIOFUEL IN TANZANIA**

Kindly refer to the above captioned subject and your letter dated 13<sup>th</sup> July, 2022.

2. Our Office would like to commend your company's efforts in conserving the environment. We also commend your firm commitment in reducing/stopping the use of charcoal and wood for cooking through promotion of high energy efficiency cook stoves and use of plant/seed oil to insure community transformation to green energy sources for cooking.
3. Our office is commending your efforts in ensuring that Tanzanian's community are using highly efficient cooking stoves and are having reliable alternatives to charcoal and fire-wood for cooking. The Vice President's Office is willing to assist and cooperate with your company in ensuring success of the pilot project.
4. Regarding your request, we would advise you to contact the Ministry of Energy which is mandated with all energy related matter including renewable energy. On other hand we would also advise you to contact Tanzania Bureau of Standards (TBS) for alignment with national standards.
5. Thank you for your continued cooperation.
